To complete the AZ/US Constitution certification requirement, students may choose one option:

1. [AEPA Exam](#) (100 multiple choice questions, fee required); or
2. Take the related college course (i.e., POL 210) and **get it transferred to your UA transcripts** if you took it at another institution. Please note that if you take a course it must include both the US Constitution and AZ Constitution (otherwise, you need to take two courses if they are not combined).

How did/will you fulfill this requirement?

College Course

AEPA Test

Date of completion:

If you took a course, list course and institution:

If you took a course, is the course on your UA transcripts yet:

Yes

No

List all courses required for graduation that are in progress, still needing to be taken, and/or courses within the major that need to be retaken to obtain a grade of C or higher.

[All degree coursework—with the exception of 12 units of Student Teaching MUS 493M—needs to be successfully completed in order to start student teaching. Note: No Summer Session II or Winter Session courses may be taken if they overlap with the student teaching schedule, which follows the assigned school site's calendar, not the U of A academic calendar.]
